## About

Dynamic and motivated biokinetics graduate seeking to leverage academic background and passion for improving human movement and performance in a professional setting. Eager to contribute to a team dedicated to enhancing health and wellness outcomes. I'm also a tech enthusiast with a keen interest in web development. Proficient in HTML, CSS, and JavaScript, I enjoy exploring the intersection of technology and health, seeking innovative ways to integrate digital solutions into rehabilitation practices. Whether on the field or behind the screen, I'm committed to leveraging my diverse interests and expertise to make a meaningful impact in the field of biokinetics and sports rehabilitation.

## ◦ Work Experience

### SIR INNOCENT ACADEMY

MARCH 2018 - NOVEMBER 2022

#### Duties

- Tutor

### MALLENIIUM AGENCIES ( PICK' N PAY)

DECEMBER 2021 - JANUARY 2023

#### Duties

- Cashier

### Further Experience

While my professional experience is currently limited, I have gained valuable skills and knowledge through University Internship, this includes

- Assisting in conducting biomechanical assessments for clients/patients.
- Contributed to the development and implementation of personalized exercise programs.
- Participated in data collection and analysis processes under the supervision of senior staff.
